Hello Adam,

## This Week's Program...

### Barbara Macelli with Healthy Start Coalition of Hillsborough County

Barbara Macelli graduated from the University of Illinois-Urbana with a Bachelor's of Science in Neuro-Psychology. After graduation, she served as a Peace Corps Volunteer in the Dominican Republic from 1982 to 1984 working to educate child malnutrition, promote sustainable agriculture practices, and transferring for visiting physicians and nurses from the United States.

On her return from the Peace Corps, Barbara began working in the area of Maternal and Child Health as the "Parents You Saver" program manager and then as an evaluator of this program for the funder, the Office of Prevention Fund of FL, until 1998.

She was then recruited by the Office of Prevention Fund of FL as the Senior Program Specialist for Healthy Families Florida where she provided Quality Assurance and Technical Assistance for the statewide Healthy Families Florida program. In 2004, she was hired in her current position of Healthy Families Hillsborough Program Director. Healthy Families is the only program proven to prevent child abuse and neglect in the State of Florida.
