

Kiwanis Tampa Club Weekly Alert

Monday, April 23, 2018

Hello Adam,

This Week's Program...

Kiwanian of The Year Presentation 45th DOYLE E. CARLTON MEMORIAL AWARD FOR 2017

This award was established in 1973 to honor the memory of DOYLE E. CARLTON, a life-long Kiwanian, and an outstanding citizen.

For the benefit of our newer members, the following is a brief summary about the "Governor." Doyle Carlton was the first Kiwanis Governor of the Florida District of Kiwanis. He practiced law in Tampa and organized an outstanding law firm that still carries his name. Later, he was elected Governor of our great state, and served his fellow Floridians with honor and integrity. He served as President of the Kiwanis Club of Tampa in 1926, attended weekly meetings, and remained an active member until his death in 1971.

In 1973, our Club established this award and its criteria by itemizing the attributes that made Governor Carlton stand out, not only among Kiwanians, but also among all citizens. Each year a special committee (chaired by the previous year's honoree, and comprised of former recipients) selects the awardee based on the following:

- Attendance
- Membership proposals supported
- Activity within the Club
- Civic participation outside the Club
- Committee activity within the Club
- Church activity
