This Week's Program

Presented by Anthony Derby

with Brew Bus

Anthony Derby is a Tampa native who founded The Brew Bus in 2011 following his graduation from the University of Colorado at Boulder. His inspiration derived from his love for craft brews and the need for safe and fun transportation to and from the breweries. In the last 6 years he has grown the Brew Bus family by establishing Brew Bus Brewing in 2012, purchasing Florida Avenue Brewing in 2015, and opening a brick & mortar in Seminole Heights in 2016 which houses a tasting room, brewery office headquarters and the in-house kitchen, The Eatery. Anthony is heavily involved in local initiatives and is on the Board of Directors for Tampa Connection, Treasurer of Tampa Bay Brewers Guild, and Co-Chair Steering Committee for the University of Tampa Board of Counselors.
